ATLAS TRAIL 4X4 TOUR

An exclusive immersion of 0 days in the heart of Morocco

TRIP OVERVIEW & INCLUSIONS

After leaving the plains of Marrakech, you will follow a paved road through vast olive groves and a succession of small villages. Passing through the lush and green Asni Valley at an altitude of 1,100 meters, you will discover the picturesque Berber villages of Sidi Fares and a rich variety of vegetation including olive, fig, walnut, quince, plum, apple, and almond trees. At around 1,800 meters above sea level, the scenery becomes spectacular, especially during winter when the snow-capped peaks of the Atlas Mountains form a stunning backdrop. After approximately 2.5 hours of off-road driving, you will descend towards the beautiful Ourika Valley, where the meadows are often covered with wildflowers and poppies depending on the season. You will stop along the river and have the opportunity to visit the famous Setti Fatma Waterfalls, an enjoyable and accessible hike suitable for most visitors, before returning to Marrakech via the main road. Optional visits include: The weekly Berber market in Asni every Saturday. The weekly Berber market in Tahnaout every Tuesday. A visit to a traditional Berber house.
